# FRIENDS OF WEST BYFLEET HEALTH CENTRE

**T**HE FRIENDS OF WEST BYFLEET HEALTH CENTRE IS a registered charity formed at the suggestion of the senior partners of the three practices and is run by an independent body of Trustees to raise funds to provide enhanced patient care beyond the resources of the National Health Service.

abdominal examinations thus avoiding the delay and inconvenience of patient referral to St. Peter's. The Friend's have agreed to cover the cost of the visiting consultant's fees.

*Current work in hand includes the provision of cool filtered water dispensers, improved access within the Health Centre and safer parking facilities for the disabled. The Friends are also considering the purchase of two 'Clinitac 50' urinalysis machines which will greatly enhance the accuracy and speed of urine testing.*

Our charitable objectives are:

Much has been achieved in the short time the Friends have been formed. Here are some of the improvements we have provided so far.

-  Provision of Syringe Drivers for the District Nurses to lend to terminally ill patients.
-  New minor operating theatre, fitted out with bed, lamp and other equipment.
-  The Busenhart Morgan-Evans Foundation has generously provided a new ultra-sound machine together with probes to allow the Health Centre to continue echo-cardiographic examinations. Further probes have also been provided for a visiting consultant radiologist to carry out
